Dear Dr. Lobre and Staff,

*We are home now—and glad to be here
even if it is hot!!*

*I made it thru all the festivities—
Wedding—Reception and Bar-b-que,
thanks to all of you. The walker proved
to be invaluable—enabling me to go
everywhere and with no worry after being
checked out by you.*

*We certainly are indebted to you and
thank you for such superb care.*

Sincerely.
